

## Volunteer Position Description

**Assignment Title:** Appliance Repair Lead Volunteer

**Supervisor and Department:** ReStores, ReStore Managers

**Purpose or Overview: (optional)** The Appliance Repair Lead Volunteer will diagnose and repair donated appliances so that they can be sold to the public.

**Major Responsibilities:**

- Diagnosing and repairing appliances using parts purchased by the ReStore Manager
- Determine when appliances should be recycled

**Time Commitment:** Flexible, 4-8 hours per month. Can work with staff to determine schedule (either on an as-needed basis or 1-2 set days a month).

**Qualifications:**

- Knowledge and experience repairing appliances
- Understanding of safety procedures
- Troubleshooting ability

**Training:**

- Habitat Volunteer Orientation

**Service Location:** Volunteers will be placed at the ReStore most convenient to them

- Denver ReStore
- Littleton ReStore
- Aurora ReStore
- Future Wheat Ridge/Arvada ReStore

**Impact:** By repairing donated appliances, the Appliance Repair Lead Volunteer will help create more revenue for the ReStores, so that we can provide more affordable housing opportunities in our community. This will also help us provide low cost appliances to the public.

**Volunteer Benefits:**

- Camaraderie (bbqs/happy hours/and formal and informal recognition events) with a welcoming team of staff and volunteers
- Habitat swag
- 25% off at the 4 Metro Denver Habitat ReStores
- Develop professional skills and leadership skills
- Scholarship towards a week-long Habitat Denver Global Village Trip after one year of service
