

Assignment Title: CORE ReStore Volunteer - Truck Assistant

Supervisor: ReStore staff drivers

Major Responsibilities:

- Represent Habitat Metro Denver in a positive and professional manner
- Uphold proper safety procedures and lifting techniques
- Operate truck lift gate
- Carefully load and organize donated items in a fashion that promotes safety and efficiency
- Additional tasks as needed
- Be informed and current with Habitat news, policies, and procedures

Time Commitment:

- Will work a designated shift time (9:00 AM-5:00 PM, Monday-Saturday)
-

Qualifications:

- Ability to lift 50 -75 lbs
- Customer service skills

Training:

- Truck Assistants will be trained on safety, lifting techniques, product moratorium, loading and securing donations as well as dolly use.

Service location for training:

- Our ReStore trucks operate from our Denver ReStore. If the volunteer wants to transfer to a different task after training, our team will work with the volunteer to determine the best fit for their skills.
- Denver ReStore—70 Rio Grande Blvd, Denver CO 80223

Impact:

- Truck Assistants engage positively with the community of staff, volunteers, customers, and donors to bring awareness and understanding about Habitat Metro Denver. CORE ReStore Volunteers are treated like staff members and enable our team to better serve the ReStore community.
