

Core ReStore Volunteer: Dock Assistant Position Description

Supervisor and Department: ReStore Staff, ReStore Operations

Who You Are:

You love connecting with people of all backgrounds and lending a hand (literally). You like teaching and guiding others and sharing your knowledge and skills. You're most comfortable in jeans and a t-shirt, don't mind getting a little dusty, value repurposing, and thrive in an energetic environment. You want to be a part of a group of like-minded people that share similar values and look for an organization that welcomes everyone to be a part of the mission. You are seeking an opportunity to be part of something larger; more impactful. If this sounds like you, please allow us to introduce ourselves.

Who We Are:

Habitat for Humanity of Metro Denver (Habitat Metro Denver) is part of a global, nonprofit housing organization that seeks to put God's love into action by bringing people together to build homes, communities, and hope. Habitat for Humanity was founded on the conviction that everyone needs an affordable, healthy and stable place to live in dignity and safety, and that affordable housing should be a matter of conscience and action for all.

Habitat for Humanity's ReStores support Habitat's mission to build and preserve affordable homeownership opportunities in the Metro Denver area. The ReStores are home improvement outlets that sell donated building materials, home furnishings, appliances, and more at a discount to generate funds to support Habitat for Humanity.

To achieve our vision of a world where everyone has a decent place to live, Habitat Metro Denver builds, renovates and sells homes in partnership with low- and moderate-income families. The organization also works with existing low-income homeowners in formerly red-lined Denver neighborhoods to do critical home repairs. Throughout its 42-year history, Habitat Metro Denver has served more than 2,500 households and is the 8th largest producer in the Habitat U.S. network.

How We Succeed Together:

Habitat Metro Denver's **Cultural Blueprint** highlights the specific behaviors and mindsets that support our core values and guide day-to-day decisions, behaviors, and interactions of every person within our organization.

Core ReStore Volunteer: Dock Assistant Position Description
